**Literacy**
A Literacy Policy K-6 will be developed to establish consistency across all stages.
Common understanding of the components for programming for Accelerated Literacy.
School and Classrooms well resourced for Accelerated Literacy.
Literate discourse is evident in classrooms.
Teachers are active participants in opportunities for collaborative programming.
Individual Learning plans are created for targeted students.
All staff receives appropriate mentoring and guidance through implementation and consolidation of Accelerated Literacy.
Classrooms have walls that ‘talk and teach’.

**Numeracy**
Revise current Maths K-6 scope and continuum
Use NAPLAN strengths and weaknesses to guide practice.
Teachers understand and use components of quality numeracy session to plan units of work.
Teachers use Newman’s analysis to help students comprehend Maths problems.

**Professional Learning Practices**
Teachers encourage networking and sharing of ideas and resources with other schools.
Quality teaching principles are a feature of every staff meeting (10 minutes)
All teachers participate in Team Leadership for School Improvement program.
Many opportunities exist for professional dialogue with in school leader and colleagues at team planning days.
Learning culture evident in all classrooms—lesson observations, modelling, coaching/mentoring and providing feedback are accepted forms of supporting professional learning and development.

**Analysing Data**
All teachers complete the DASA survey.
Staff receive professional development around use of SMART to analyse NAPLAN data.
Development of an Assessment Schedule K-6 to incorporate Accelerated Literacy assessments (such as TORCH and running records)
Analyse data from 2009 and use to pinpoint strengths and weaknesses in Literacy and Numeracy.
Strategically resource areas of greatest need in Literacy and Numeracy.

**Implementing Technology**
SMART boards will be installed in all classrooms.
Teachers will have access to professional development in use of IWBs including in class team teaching/co teaching.
IWB resources will be located in common/accessible files – school server.
Website will be up to date.
