Tumbarumba Primary School focuses on providing opportunities for all children to experience success. This includes strong academic programs supported by additional staff such as STLA, school counsellor, Reading Recovery, support teachers and SLSOs. Our children regularly attend curriculum based excursions, and confidence and self esteem programs such as Peer Support and Friends. Student welfare runs hand in hand with quality academic programs and positive student/teacher relationships.

Tumbarumba Primary and Tumbarumba High Schools were joint winners in the 2009 Murray Catchment Natural Resource Management Awards.

Core values of Public Education at Tumbarumba Primary School

Integrity
Excellence
Responsibility
Cooperation
Participation
Care
Fairness
Democracy

Our School Captains and Student Representative Council work hard to ensure the school grows with everyone’s interests at heart. All ideas are treated with respect and valued.

Tumbarumba Primary School has a strong focus on the creative arts, providing various opportunities including:

- Dancing
- School musicals
- Senior & Junior Choir
- School band and musical ensemble
- Taronga Zoo environmental partnership
- Aboriginal artists and other visiting performers
